**Subject:** Join the Rotary Fellowship of Rugby Fans 📧

Dear Governor,

The Rotary Fellowship of Rugby Fans was created to bring together all friends who share the values of this sport, and who wish to be associated with it both locally and internationally.

From September 8 to October 28, the **Rugby World Cup** will be held in France: we can share our passion with all the fans, spectators and players, coming to France from all over the world for the Rugby World Cup.

Please share this information with your district members who would like to join our Rotary-Rugby community.

Kind Regards,

Jean

Jean Delas

President "Fellowship of Rugby Fans "  
Governor 2017/18 - District 1770 - France
