Dear Leslie

On behalf of everyone at Thrive, I would like to extend our deepest thanks to The Rotary Club of Reading for your incredibly generous donation of £1,500, raised through the wonderful Santa Run event. We are truly grateful for your support, and it's heartwarming to see such community spirit come together to make a difference.

The event itself was a tremendous success, and our volunteers had an absolute blast! The festive atmosphere, the energy of the runners, and the enthusiasm from the participants made it an unforgettable experience. We truly appreciate the effort and planning that went into making the Santa Run such a fantastic occasion.

Your donation will have a significant impact on our work at Thrive. It will go directly towards supporting our activities, enabling us to help more people with disabilities and mental health challenges through gardening. It's through the generosity of organisations like yours that we are able to continue making a real difference in the lives of those who need it most.

I know Sally spoke about the opportunity on Sunday and I wanted to confirm that we would be delighted to give a talk to The Rotary Club of Reading members, where we can share more about the work we do and the positive impact of your donation. Please let us know if this is something you would be interested in.

Once again, thank you so much for your kind support. We are truly grateful.

With sincere thanks and warmest regards,

Edmund
